

DIGITAL PHOTOGRAPHIC Weekend Workshops 2009

Nicole, Eric and Guy present weekend Workshops consisting of photographic shoots and lectures mainly in the picturesque Stellenbosch area.

With their expressive approach to photography, they will help you develop your creativity and teach you to "LOOK AND SEE".

All our Workshops include tuition and assistance in post processing your DIGITAL Photographs for daily analyses.
Those who still shoot film are welcome.

We ensure individual attention.
Booking is essential, as a minimum of 10 people are required for a weekend workshop.
