Canon SA Photo Competition 2011

Aspiring and professional photographers and anyone who is happiest behind the lens of their camera will have a chance to express their passion for photography during Canon South Africa's Photographic Competition which launched on 12 September 2011. There are over R150 000 worth of prizes to be won, making it one of the biggest photographic competitions ever run by Canon South Africa.

Entrants can submit their photographic interpretation of one or more of the five themes by the 13th of November 2011.

The themes are:

Candlelight
Through a Child's Eye
Toy Stories

Circles
It's in the Detail

A panel of industry experts will determine the top 10 entries in each category. The winners in each category will be determined by votes, from the top 10 entries displayed on the Facebook page (search Canon SA Expo 2011 on Facebook), on www.csaexpo.co.za and at the expo. The 10 finalists in each category will be exhibited in the gallery at the Canon SA Expo taking place at the Sandton Convention Centre from Friday the 9th of December 2011 until Sunday the 11th.

Category winners will take home a Canon 5D Mk II camera and EF 24-105mm f/4 L IS USM lens. One lucky voter will

also be the proud owner of a Canon 60D camera and EF-S 18-55mm f/3.5-5.6 IS lens.

Although Canon is inviting a no holds barred approach on how photographers interpret the themes, photographic submissions must be produced using Canon equipment only. Entrants can also only submit one entry per category but there is no limit on the number of categories a person enters. Voters can vote only once in each category.

Entries must be submitted in electronic JPEG format, not exceeding 5MB, via email. There are five email addresses correlating to the five themes. Entrants must submit their entries to the email address appropriate to the category they are entering, namely:
